

Lightning

by Stealth Products

Storage Basket

Back angle adjustment of 85, 90 & 95 degrees

Front rigging: Swing-away, Flip-Up
Adjusts in the following areas: extension, fore & aft, angle & lateral

Heavy Duty Upholstery includes moldable stiffeners and is easily cleaned

Offset Arms provide additional width

Seat depth adjustable for growth

The **LIGHTNING** is a lightweight, highly functional Pediatric Mobility Base designed with a recreational look that compliments today's lifestyle. The **LIGHTNING** is an innovative vehicle specifically constructed to be extremely rugged and especially convenient for transporting and storing due to it's easy-to-operate Stand & Fold feature. For function, performance and durability in a beautiful package, the **LIGHTNING** is a strikingly bright choice!

The **LIGHTNING** is crafted with 7000 Series Aluminum which is used for aircraft structural members because of its superb strength to weight properties.

Folding Actuator (operates both sides with single actuation)

Locking Strap secures base while being carried

Push Handle (for pushing & control of chair)

Wheel Locks (operates both sides with single actuation)

Convenient Carrying Handle

Simple and unique folding mechanism

Crash Tested!

Transportation:

The Lightning meets the requirements specified in 5.3 of section 19 of Ansi/Resna WC/Vol. 1 prior to May 2002.

Point of Impact:

The Lightning is so tough, it exhibits virtually no distortion at point of impact.

Tie Down

« Devon, in her Red Glow Lightning, is posing with her sister Chloe. RTS-Mala Aaronson OTR/LCRTS

Unique Configurations

New!

Headrests may now be added to the Lightning

Foot Positioning Options

Front Rigging/Footplate Specifications (Standard)

The positioning footrests will easily adjust in 1" increments. The riggings remove easily and the Positioning Pin is tethered to prevent loss.

Footplate incorporates 50° of adjustable angle for dorsa and plantar flexion, and adjusts laterally over a 2" range. Also incorporates fore and aft adjustment over a 1.5" range.
