

Visco-Back Order Form

Client Name:	Date:
Contact Name:	Tel:
Wheelchair service address:	

Visco-Backs are available in a choice of seven back heights, eight widths and two fabric types

Fabric Options

Stretch Air: Allows air transmission and heat reduction.
 High stretch polyester with waterproof breathable vapour barrier

Comfort-Tec: Fluid proof exterior has supple leathery properties for easy cleaning and protection for cushion.
 Multi dimensional stretch fabric to alleviate pressure .

Compass Hardware: Standard with 12", 14", 16", 18", 20" and 22" widths. The 24" backrest width has 4 point hardware.

Matrix box below shows the range of height and widths available.

The matrix shows the size of wheelchair the Acta-Back will fit. For example a 16" backrest has 3" of width adjustment and will fit 15", 16" & 17" wheelchairs.

Please tick size of backrest required in matrix below.
